

FULL-TIME + PART-TIME KITCHEN POSITIONS

Cookbook Market in Highland Park is looking for a mature and thoughtful cook to join our kitchen team. We make prepared foods for our two locations using only the best ingredients available to us. This is a perfect position for someone with a restaurant background who is looking to get off of the line and work daytime hours.

We are looking to fill TWO positions:

One is part-time - 4 days per week. 7am-3pm.

The other is full-time - 5 days per week. With a mix of 7am-3pm shifts and 9am-5pm shifts.

Must be available to work weekends.

All applicants must have a deep knowledge and love of cooking, be extremely organized, work efficiently and cleanly, and have a minimum of 1-year professional experience in a commercial kitchen.

If you'd like to work with some really friendly and knowledgeable people who are into hard work, good food and cooking, then please send us your resume. Please let us know what your 3 favorite ingredients are, what your best dish is, what cookbook you are cooking out of at the moment, and why you cook for a living.
