

We will be offering HERITAGE TURKEYS from BN RANCH in Bolinas, CA again this year for Thanksgiving.

The turkeys will be delivered fresh to both of our stores on Tuesday, November 21st.

We will have 2 size ranges available:

Small, around 8-10 pounds

Medium, around 11-14 pounds

\$9.99/lb

The flock includes five different heritage turkey breeds: White Holland, Narragansett, Standard Bronze, Spanish Black, and Bourbon Red.

The flock roams the pastures of the Nimans' Bolinas ranch, where they engage in grazing, foraging, sunning themselves, and roosting in the trees.

Heritage turkeys are richly flavored, with exceptional dark meat and less breast meat than conventional turkeys.

A \$50 deposit will be required when ordering your turkey.
